

Nerrols Primary School admission arrangements for 2019-2020

Introductory statement

Nerrols Primary School is a new Primary Free School. It will be a creative and innovative place of learning in the north of Taunton, where children will be encouraged to be as successful as they can be in all that they do. The children of Nerrols Primary School will develop lively and enquiring minds and to acquire knowledge and skills relevant to a fast changing world. We are eager to work in partnership with families and the local community to support our children, enabling them to develop and flourish, fulfilling their potential at school and in life as citizens of the world.

Admission number(s)

The school has an admission number of 30 for entry in year Reception.

The school will accordingly admit this number of pupils if there are sufficient applications. Where fewer applicants than the published admission number(s) for the relevant year group are received, the Academy Trust will offer places at the school to all those who have applied.

Application process

The School will process applications outside the normal local authority process for co-ordinating school offers. This means you will need to complete your LA common application form for your other choices of school in addition to a separate application for this school.

Applications for this school should be sent to Xanne Blythe at the following address Richard Huish Trust, South Road, Taunton, TA1 3DZ. Or email adminstrator@richardhuishtrust.co.uk

The closing date for applications is 15/01/2019

Offers will be made on 16/04/2019. If we have not entered into a funding agreement with the Secretary of State opening the school by that date, they will be conditional offers and will be confirmed once we have a signed funding agreement.

The application form can be downloaded by visiting www.nerrolsprimary.co.uk and following the link.

Oversubscription criteria

When the school is oversubscribed, after the admission of pupils with an Education, Health and Care plan or a Statement of Special Educational Needs naming the school, priority for admission will be given to those children who meet the criteria set out below, in priority order:

1. Looked after children and children who were previously looked after but immediately after being looked after became subject to adoption, a child arrangements order, or special guardianship order.
2. Priority will next be given to the siblings of pupils attending the school at the time the application is received where an older sibling is in Year 6 siblings will not be prioritised under this criterion.
3. Priority will next be given to children eligible for the pupil or service premium. Evidence of eligibility will need to be submitted with the application. See notes below on eligibility.
4. Other children.

Tie-break

If in categories 2 – 4 above a tie-break is necessary to determine which child is admitted, the child living closest to the school will be given priority for admission. Distance is measured in a straight line by a Geographical information System (GIS) method from the geocoded point of the school site to the geocoded point of the pupil's home.

Random allocation undertaken by the local authority will be used as a tie-break in categories 2-5 above to decide who has highest priority for admission if the distance between a child's home and the academy/free school is equidistant in any two or more cases.'

Random allocation will not be applied to multiple birth siblings (twins and triplets etc.) from the same family tied for the final place. We will admit them all, as permitted by the infant class size rules and exceed our PAN.

Late applications

All applications received by the School after the deadline will be considered to be late applications. Late applications will be considered after those received on time. If, following consideration of all applicants the school is oversubscribed, parents may request that their child is placed on the school's waiting list.

Deferred entry for infants

Parents offered a place in reception for their child have a right to defer the date their child is admitted, or to take the place up part-time, until the child reaches compulsory school age. Places cannot be deferred beyond the beginning of the final term of the school year for which the offer was made.

Children reach compulsory school age on the prescribed day following their 5th birthday (or on their fifth birthday if it falls on a prescribed day). The prescribed days are 31 August, 31 December and 31 March.

Admission of children outside their normal age group

Parents may request that their child is admitted outside their normal age group. To do so parents should include a request with their application, specifying why admission out of normal year group is being requested and the year group in which they wish their child to be allocated a place.

When such a request is made, the academy trust will make a decision on the basis of the circumstances of the case and in the best interests of the child concerned, taking into account the views of the headteacher and any supporting evidence provided by the parent.¹

Waiting lists

The school will operate a waiting list Where the school receives more applications for places than there are places available, a waiting list will operate until the end of the first term after the beginning of the school year. This will be maintained by the Academy Trust and it will be open to any parent to ask for his or her child's name to be placed on the waiting list, following an unsuccessful application.

Children's position on the waiting list will be determined solely in accordance with the oversubscription criteria. Where places become vacant they will be allocated to children on the waiting list in accordance with the oversubscription criteria. The waiting list will be reordered in accordance with the oversubscription criteria whenever anyone is added to or leaves the waiting list.

Appeals

All applicants refused a place have a right of appeal to an independent appeal panel constituted and operated in accordance with the School Admission Appeals Code.

Appellants should contact Xanne Blythe, c/o Richard Huish Trust, South Road, Taunton, TA1 3DZ. by 21/05/2019 for information on how to appeal. Information on the timetable for the appeals process is on our website at www.nerrolsprimary.co.uk.

Notes:

Home address

The home address is where a child normally lives. Where a child lives with parents with shared parental responsibility, each for part of a week, the address where the child lives is determined using a joint declaration from the parents stating the pattern of residence. If a child's residence is split equally between both parents, then parents will be asked to determine which residential address should be used for the purpose of admission to school. If no joint declaration is received where the residence is split equally by the closing date for applications, the home address will be taken as the address where the child is registered with the doctor. If the

residence is not split equally between both parents then the address used will be the address where the child spends the majority of the school week.

Sibling

Sibling' means a natural brother or sister, a half brother or sister, a legally adopted

brother or sister or half-brother or sister, a step brother or sister or other child living in the same household as part of the same family who, in any of these cases, will be living at the same address at the date of their application for a place.
