

Pupils and Students are at the centre of everything we do – all decisions are considered in relation to the impact on pupils and students.

We consider the environmental impact of our activities and actively seek more sustainable solutions – through our behaviour and decisions we are committed to reducing our environmental impact.

We are determined and rigorous in our pursuit of **educational excellence** – we are individually and collectively committed to making improvements for the benefit of pupils and students.

We strive to **add value** and are committed to supporting all members of the School and College community to achieve beyond what might be expected.

We have a **culture that cares** for the individual and promotes inclusivity, equality and mutual respect – specialist support is available for all and diversity is embraced.

Honesty and integrity are central to our work – we are committed to being transparent, open and trusting.

We **work collaboratively** and constructively as a team in order to best serve the local and wider community – all stakeholders work together positively and professionally.
