## **Governor Visits Policy**

Signed:  Head teacher

Signed:  Chair of Governors

Date Approved: September 2023

Next review: September 2024

## Statement of intent

Through this policy, Nerrols Primary School and Nursery aims to embed effective procedures concerning governor monitoring visits. Each governor is expected to make at least two visits (either in person or via an online meeting) during the academic year, demonstrating the governing board's role in the strategic management of the school by helping to evaluate and improve practice.

Governor visits inform understanding of the school's practices and procedures, allow opportunities to speak to pupils and teachers, enable the identification of resource needs, and allow governors to see the School's Quality Improvement Plan in action.

For staff, governor visits allow staff the chance to find out more about governors, provide an opportunity to draw attention to issues or questions they wish to raise, and provide an opportunity to reflect upon and discuss current practice.

Governors must:

- Remember to respect school staff and pupils
- Support the Head teacher
- Acknowledge that they represent the full governing board

By following the agreed principles and procedures, governor visits will be pleasant, purposeful, and will significantly contribute towards school improvement.
